LICENSE OF COPYRIGHT
Canadian Journal of Pathology

Publisher: Canadian Association of Pathologists (CAP-ACP)

Name of Author(s) & Contributor(s): _____

(List all authors. Corresponding

Author can sign on the behalf of all

authors with their permission. If too many

to list please use a second form)

In consideration of CAP-ACP publishing the manuscript, named below, in *Canadian Journal of Pathology*:

All authors affirm the following:

1. That this is an original work and the authors own, and have not transferred elsewhere, any and all rights to this manuscript;
2. All photographs/diagrams submitted for publication are owned by one of the authors (if not please provide proof of permission in writing, include photographer contact details, or attach a separate release form found at www.ClockworkCommunications.ca/assets/files/CJP-Photo-Release-Form.pdf);
3. CAP-ACP has the right to publish and otherwise deal with, or make use of, the article and photographs/images, including, without limitation, all rights of reproduction, derivation, distribution, sale and display of the works, in whole or in part in any and all forms of media now or hereafter known, in Canada and in all other countries of the world. These non-exclusive rights will be effective from the date of acceptance of the article for publication in *Canadian Journal of Pathology*; and
4. All affiliations or funding sources that could be perceived as a conflict of interest, in publishing this article, have been declared.
